MEMORANDUM FOR: Deputy Director (Administration)
FROM: Legislative Counsel
SUBJECT: CIA Appropriations — Weekly Report #6

25X1

25X1

The [redacted] Appropriation bill is still in conference between the Senate and the House, but CIA funds are not at issue. However, there has been no final determination as to whether [redacted] will remain in the bill and thus reduce the total amount of the appropriation by 2½%. The possible problems raised by this Section have been called to your attention in my memorandum to you dated 16 September 1951.
